All students trying out for  
basketball need to have a  
sports physical on file in the  
office BEFORE trying out.

**Black and Gold Games**

Basketball season is just around the corner. Tuesday, November 8th, will be the annual FRCS **Black and Gold** games. This is an exciting evening where all our basketball teams scrimmage each other. It is definitely a fun time for the entire family to spend time together. Dress in your "black and gold" and come cheer for the Minutemen!

**Box Tops**

The collection date for Box Tops has been extended through the end of November. We know that October and November are when many families get together and do a lot of cooking, so encourage your family and friends to save their box tops and Campbell soup labels for you. Just clip them out and bring them in to your student's homeroom teacher. The winning class will be awarded an "Ice Cream" party.

**Basketball Tryouts**

Basketball tryout will be next Monday and Tuesday, Oct. 31 & Nov. 1. Please remember that all participating students are required to have a current sports physical on file in the office before tryouts. This is a State mandate for all schools. Students and parents will also need to go online and read the Athletic Handbook. The final page will need to be printed out, signed, and returned to the office. Thank you.

**Chilly Weather Alert**

The weather has been beautiful the past few weeks, but we know that soon it will be very chilly in the mornings. Please remember to dress your children warm, especially the ones that get to spend time on the playgrounds. Also, encourage them to wash their hands frequently. We want to keep the bad germs away. The students are always hopeful for many "snow days" during the winter months (teacher too). Be sure that we have your correct cell phone number in Ren Web so that you can receive text messages for school closings. FRCS follows the Rutherford County School system for the "initial" school closing. However, we may come back to school sooner since we do not run buses.
